1. Neither I nor my family and my social contacts friends are subject of research (constitution and federal-german law, Hochschulgesetzgebung) for criminal staff and/or criminal students of local universities (forward this as ISSUE, urgently!). Identify the terroristic menacers who declare the intention to film-record us. "Die Wilden im Menschenzoo". We consider this to be a perversion, Case of Corruption to be reported, crime against humanity in tradition of nazi german barbarians SS schutzstaffel massmurders. SHALOM, Jewish citizen Mister Daniel Manfred Neuhaus. Protect all us from those menacers, respect our Human, Civil, Prisoner Rights, current and future law, our Human Dignity! Shalom. D.M.N.
2. U.S. Central Intelligence Agency submission i/d 56X5SA2F
3. KILL (sic! literally this if no other help or intervention) persons who received disgusting, hellish antihuman privileges to surveil me and my family, or friends. Identify and poison, contaminate, bring cancer deadly over the culprit terroristic menacers of our lives! SHALOM, In G O D we trust.
4.
5. Postscriptum) These are beast-like menacers in meaning. Who are they by their names we to sue them before courts and justice? End this daily fight those can not win NOW!
